INTERPRETER SKILLS PERFORMANCE TRAINING

### RIGHT MEANING<sup>SM</sup>

#### Healthcare/Medical Interpreter Skills Training

Need training? Register today. Develop your basic skills in the 3 modes of interpreting, improve understanding of the code of ethics for interpreting in the healthcare field, and organize your own glossary of terminology and interpreter resources. Language neutral.

Included: challenging interactive learning, feedback on interpreter skill set, on-line resources, session pre-work and assignments, assessments, certificate of participation, easy access location, interpreter mentoring. Trainer Shawna Stevenoski, CCI, CMI-S

5 Saturdays from 8:00 a.m. – 17:00 p.m.

Location: FOCUS CoWorking

148 E. Milwaukee St., Jefferson, WI

\$375.00 per person for this 40 hour training

No refunds or transfers. No CEUs. This is a basic skills training.

**No prerequisites are required to participate in this basic skills training.**

\*Please note: If your goal is to become a certified medical or healthcare interpreter, it is highly recommended that prior to registering for this basic skills training you verify the established specific eligibility requirements or prerequisites for participating in the certification programs with the National Board of Certification for Medical Interpreters and the Certification Commission for Healthcare Interpreters. It is your responsibility to verify if you have met these requirements with NBCMI or CCHI should you choose to sit for the certification exam. This basic skills training will assist you in determining if you need more training before the exam or before accepting interpreting assignments.
